## AMENDMENT

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

In response to the Office Action mailed on March 5, 2003, the following amendments and remarks are respectfully submitted:

In the Claims:

Please amend Claims 1, 18 and 35 as follows:

- 54601
1. (Once Amended) A method for creating a data file using a programming development environment on a computer system, said method comprising the steps of:
- building a program in said development environment to represent said data file;
  - compiling the program in said development environment into a software executable; and
  - running the executable to generate the data file,
- wherein the data file is for interpretation by a third party computer system and the third party computer system comprises a dialogue management system for a computer telephony system.
